No	Item	Description	Direction	Score
1	Kavling	Rectangle Plot		F
2	Master Bed Room	should always be in the South-West corner of the home and head of the family must occupy this bedroom.	E	UF
3	Bed Room 1	should always be in the South-West corner of the home and head of the family must occupy this bedroom.	W	F
4	Bed Room 2	should always be in the South-West corner of the home and head of the family must occupy this bedroom.	NE	UF
5	Guest Room	should always be in the South-West corner of the home and head of the family must occupy this bedroom.	SW	F
6	Dining Room	The dining room should be in continuation with the kitchen in the South, West or the East-side. Also, the best direction to construct a dining room is in the West direction as it is the most favorable position.	NW	OK
7	Living Room	Your living room should always be in the East or in the North direction. However if you have a south-facing house, then your living room can be in South East corner. North direction although is the more beneficial direction for a living room	N	F
8	Kitchen	According to Vastu Shastra, the Lord of Fire—Agni—prevails in the southeast direction of the home, which means that the ideal placement of the kitchen is the southeast direction of your home	NW	OK
9	Car Port	According to Vastu, the ideal location for car parking or shed is in the South-west, South and West facing direction	S	OK
10	Main Entrance	The main door/entrance should always be in the north, north-east, east, or west, as these directions are considered auspicious. Avoid having the main door in the south, south-west, north-west (north side), or south-east (east side) directions	S	UF
